

# Homemade Pasta

Weigh 200g of "00" flour and place on the table

Make a well in the centre of the flour

Crack the 2 eggs into a bowl

Pour the egg into the well in the flour

Lift the flour up from the outsides to cover the egg

Continue mixing the egg into the flour

Bring together to form a dough

Knead the dough until smooth

Roll out the dough with a rolling pin

Put through the roller side of the pasta machine

Put through the cutting side to make your pasta

Place on tray and leave to dry
